Project: jamwiki commit_id:304 class_name: JAMWikiServlet.java

```java
// add link to user page and comments page
WikiUser user = Utilities.currentUser(request);
if (user != null) {
        next.addObject("userpage", "User:" + user.getLogin());
        next.addObject("usercomments", "User comments:" + user.getLogin());
        next.addObject("adminUser", new Boolean(user.getAdmin()));
}
```
